## ShodashVarga Charts

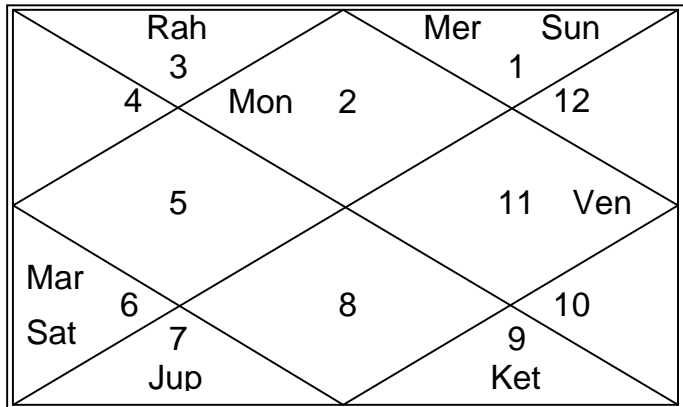

*Divisional Charts are extensions of Lagna Chart. Every chart has some specific purpose as described along with the chart below. These charts are to be studied along with the basic lagna chart to know in detail about the subject it represents. However, care has to be exercised in looking into these charts, because there are no aspects of planets here. Planet's behaviour is normally limited to the extent of sign or house it occupies in these divisional charts.*

## A Brief Review

The astrological configuration at the time of your birth was Libra Ascendant ( Lagna ) with Gemini Navamsa and Gemini Dreskana in the third Pad of Vishakha, denoting that in spite of some negative qualities you are a fortunate individual who will acquire sizeable assets to lead a life without wants.

The negative aspect of your character is your intolerance of others' progress. When you see them amassing wealth and property, you tend to become jealous which drives you to make a determined bid to do better than them. Why you should bother about others only you know.

As you put on a lot of airs and behave with an air of superiority, you will alienate many people. It will not only make you unpopular, but also increase the number of those inimical to you.

You will, with your general knowledge and ability, overcome the opposition to you but you will be left with many permanent enemies.

Yet, you are capable of hard work, which will yield good returns, especially during your 21st, 28th and 34th years.

You will spend a good portion of it on your incessant travels and also on the upkeep of your house with modern furniture and curios.

You will have a pleasant family life, provided you conduct yourself properly. You will no doubt have an understanding and loving spouse and good children, but being obsessed with sex all the time you may think of having affairs with the opposite sex some of whom will be attracted to you because of your sparkling eyes. You will have to curb your romantic adventures to ensure a smooth homely life.

You can look for an ideal match from one born under the Gemini or Aquarius signs. But if you select one from the Pisces, Capricorn or Cancer bunch, you will have a tough time.

Your health will be fine almost right through, but there is an outside chance of your suffering from diseases like diabetes, kidney troubles and tumour later; so take preventive steps.

The colours that will bring profits to you are red, orange and white. Avoid green and yellow.

## Sade-Sati Consideration

A horoscope is said to be under 'Sade-Sati' effect when the Saturn transits through the 12th, 1st and 2nd house from Natal Moon. It is said to be under 'Dhaiya' effect when Saturn transits over the 4th or 8th house over the Natal Moon. ## Physique, Personality, Appearance & Nature

Born under the Libra sign, you will have a well-formed body, which will be slender in youth but as age advances it may become stout. Tall, your smooth silky hair enhances your good looks. Many Liberians have dimpled cheeks, providing an extra edge to their captivating smile. A youthful appearance proves to be a hit with the opposite sex.

A person having a good physical structure does not necessarily mean he/she will enjoy robust health all the time.

It is love making that has the pride of place in your nature. Whether at work, at home or parties, the foremost thought in your mind all the time is sex. You are a passionate lover, operating simultaneously on two fronts - the domestic sphere and other pastures. Yet, you will manage to have a balanced homely life.

Courteous and hospitable, you always want to catch the eye of people particularly those of the other sex. That is why you display charming manners, laughing and smiling. Fond of beauty in all things, you would want to dress well, use perfume and decorate your abode with modern furniture. You attach much importance to a neat home as you desire inviting friends for parties. For you, life won't be interesting without friends. To make sure that your desire is fulfilled, you will have to learn to control your temper. Otherwise, you will stand to lose the association of influential and large-hearted people. This would amount to a near disaster, because it is only through such people that you can hope to amass a fortune.

Liberians are tend to have infections disease so they must be extra-careful. They must avoid over-indulgence in sex.

It is essential you conduct yourself properly with your friends as you will enjoy a long life, thanks to Jupiter stationed in the first house. The planetary position assures you, apart from various benefits, sound health which you will have to take care to maintain. If you fall ill or suffer from diseases, then it will be due to your own actions and not because of external factors. You will have to concentrate on leading a systematic life in spite of your hectic activities. Irregularities on your part, be they in your food habits or in taking rest and sleep, will make a deep dent into your otherwise splendid constitution.

Happy-go-lucky and cheerful, you will attract the attention of others in any gathering, which will not only enhance your status in society, but will also help you in your profession, whether service or business. If you prefer the latter, then you can make a success of it, as you are adept in public relations. It will turn out to be even more lucrative if you launch it in partnership with others.

However, the location of Mercury in Aries in the seventh house points to the possibility that your marriage may not be a hundred per cent success. It is possible you will fall in love with a stranger and enter into wedlock, but it will be opposed by your spouse's relatives. Then if you go after other members of the opposite sex to satisfy your lust, your life partner may turn hostile. So, play your cards with honesty so that you can have a happy home, about which you are very particular.
